

Parent Volunteer Form

One of the best ways to be part of your child’s school experience is to participate in the programs at Blue Oak School. Not only do those who find the time to volunteer benefit from being actively engaged, but the children see that their education is important to the adults in the community. Parent volunteers are critical to the success of the School; we would not be able to offer all of our full and exciting programs without your help. We encourage you to make a difference by contributing your time and talents.

Please review this volunteer form, check the areas you are interested in, and return to the front desk at either campus or fax to Caryl Chakerian, Development Coordinator at 707.261.4589. Please call Caryl with any questions at 707.261.4591.
